10.6 Hazardous decomposition products:

No data available.

No data available.

11. Toxicological information

11.1 Information on toxicological effects:

Acute toxicity: Skin corrosion/irritation: Serious eye damage/irritation: Respiratory or skin sensitization: Germ cell mutagenicity Carcinogenicity Reproductive toxicity Specific target organ toxicity-single exposure Specific target organ toxicity-repeated exposure Aspiration hazard No data available Irritant to skin and mucous membranes Irritating effect Possible No data available No data available

The product should be handled with the usual care when dealing with chemicals.

Additional toxicological information:

12. Ecological information

12.1 Toxicity:	Slightly hazardous for water.
12.2 Persistence and degradability:	No data available.
12.3 Bioaccumulative potential:	No data available.
12.4 Mobility in soil:	No data available.
12.5 Results of PBT and vPvB assessment:	No data available.
12.6 Other adverse effects:	No data available.

13. Disposal considerations

13.1 Waste treatment methods:

Uncleaned packaging:

Dispose as special waste in compliance with official regulations. Do not allow product to reach sewage system. Dispose as special waste in compliance with official regulations.
